FULL PROPOSAL TO INCREASE THE CAPACITY OF GREAT GLEN ST CUTHBERT'S CHURCH OF ENGLAND PRIMARY SCHOOL

Notice is hereby given in accordance with the Education and Inspections Act 2006 and The School Organisation (Prescribed Alternations)(England) Regulations 2013 that Leicestershire County Council proposes to increase the capacity of St. Cuthbert's Church of England Primary School from 243 to 315 pupil places.

1. Name, address and contact details of proposer

Leicestershire County Council, School Organisation Service, Children and Family Services, County Hall, Glenfield, Leicester LE3 8RF
Tel: 0116 3050970
Email: Alison.Stanley@leics.gov.uk

2. Name, address and category of school

St Cuthbert's Church of England Primary School, The Chase, Great Glen, Leicester, Leicestershire LE8 9EQ.
A Voluntary Controlled School.

3. Description of alteration and evidence of demand

An expansion of the school which will increase its capacity from a 243 place school to a 315 place school, with the school's published admission number increasing from 30 to 45 pupils per year group. It is proposed that this will have effect from Thursday, 25th August 2016.

The increase in numbers will be accommodated through the use of a new foundation classroom recently built on site.

There are currently 231 pupils on roll at the school. This figure is forecast to increase to 274 within the next 5 years due to the increased birth rate and therefore the number of pupils who will be living within the catchment area.

4. Objectives

Leicestershire County Council proposes to increase the permanent capacity of St Cuthbert's Church of England Primary School to meet the demand for school places in the area, both at the current time and in the future.

The proposals will allow the school to provide additional classes to cope with the increasing demand arising from the increasing birth rate and number of new housing developments within the school catchment area.

The project fulfils Leicestershire County Council's statutory obligation of providing sufficient

school places and ensuring pupils are able to attend their local primary school. The changes will also allow schools to improve educational standards and ensure parental choice is maintained through the additional places.

5. The effect on other schools, academies and educational establishments within the area

It is not anticipated that there will be an effect on other schools, academies and educational establishments within the area. There is one other primary school within 2 miles of St Cuthbert's Church of England Primary School. Woodland Grange Primary School is full and by providing additional accommodation at St Cuthbert's Church of England Primary School we will reduce the likelihood of schools within the area having to exceed their admission number.

6. Project costs and indication of how these will be met, including how long term value for money will be achieved

The project to increase the capacity at St Cuthbert's Church of England Primary School from 243 to 315 will cost £467K. The project is funded from the County Council Capital Programme. Long term value for money will be achieved by ensuring value for money building and that the work done will be built to appropriate building and DfE requirements to ensure it can be used long term

7. Implementation and any proposed stages for implementation

It is proposed that the school will increase in capacity from a 243 place school to a 315 place school. In line with this the school's published admission number will increase from 30 to 45 pupils per year group with effect from Thursday, 25th August 2016. The increase to 45 will initially apply to the reception year group only which will then feed through the school year on year.

The new school accommodation was completed in September 2015 to enable the school to increase reception numbers from the 2016/17 school year.

Within four weeks from the date of publication of this proposal, any interested party may support, object to, or make comment upon the proposal by sending them to School Organisation Service, Children and Family Services, County Hall, Glenfield, Leicester LE3 8RF or by email to Alison.Stanley@leics.gov.uk
