Name of person to contact: Sally Morris

My child has SEND. I would like to look around. What do I need to do?

Give me a call and arrange a visiting time if spaces available.

How will my child and I be made to feel welcome and how will you get ready for my child coming?

We welcome everyone equally and during our general chat we would organise a good welcome procedure for your child.

How accessible are your premises?

My premises are not wheelchair friendly, we have a step at each entrance door.

How will you keep my child safe?

I have a designated playroom which has access to the garden.

How will you communicate with me what my child has done, enjoyed and learnt?

I keep a daily dairy for all of the children I care for but along side this I text, email parents throat the day if possible, and there is always time for a chat at the end of the day.

How do you work with other professionals?

I work along side another childminder and have a good network with my local school and preschool, other professionals would be involved as and when needed.

What training have you/your staff had in SEND?

I have had no formal training.

How will you adapt play opportunities for my child?

I would try to accommodate what is needed.

How will you get ready for my child going to his/her new school?

We would have a routine put into place incorporating all the Childs needs.

How will you and I know how my child is doing and how will you help me to support my child's learning?

I would like to think because of the interaction and communication we can have together as care givers we could support each other with a Childs learning.
