My child has SEND. I would like to look around. What do I need to do?

Contact me in the first instant to discuss your needs and arrange a visit

How will my child and I be made to feel welcome and how will you get ready for my child coming?

You will be treated in the same way I treat everyone. If I need to put something in place to support your visit, this will be done prior.

How accessible are your premises?

I have a small step into my house, if need a ramp can be put in to allow childcare access.

How will you keep my child safe?

In line with my policies and procedures.

How will you communicate with me what my child has done, enjoyed and learnt?

Via a daily diary and photos.

How do you work with other professionals?

You will be asked to sign permission slips. To do my job I will then work with other professional's as and when needed.

What training have you/your staff had in SEND?

I have just last month completed a SEND training course.

How will you adapt play opportunities for my child?

Depending on child's requirements, opportunities will be adapted around the child's needs.

How will you get ready for my child going to his/her new school?

As always ensure that the child is 'school ready' to the best of their ability. Communicate with the local school for visits/meets.

How will you and I know how my child is doing and how will you help me to support my child's learning?

Continued tracking of development is essential to plan for next steps and you will always be supported. If extra help is required I will follow my procedures to gain this help and support.
