Email: [claire.hudson@nwhc.ac.uk](mailto:claire.hudson@nwhc.ac.uk)

Name of person to contact: Harpreet

---

*My child has SEND. I would like to look around. What do I need to do?*

Call the nursery to make an appointment on 0116 264 3520, in order to discuss needs.

---

*How will my child and I be made to feel welcome and how will you get ready for my child coming?*

At our meeting we will get as much information from you, so that when your child arrives we are able to support.

---

*How accessible are your premises?*

We have disabled access throughout the whole building - we are based on the ground floor.

---

*How will you keep my child safe?*

We will do a risk assessment and ensure this is consistently updated.

---

*How will you communicate with me what my child has done, enjoyed and learnt?*

We use an online programme called Eylog in which parents can access their child's learning and development online. We will also let you know how your child has been verbally.

---

*How do you work with other professionals?*

We work with a range of professionals to meet the needs of any child that needs support.

---

*What training have you/your staff had in SEND?*

We have a trained SEND co ordinator.

---

*How will you adapt play opportunities for my child?*

When we meet with parents we will discuss the child's likes and dislikes and ensure we have suitable play resources for the child.

---

*How will you get ready for my child going to his/her new school?*

We have a settling in/Transition policy which we go through with all perspective parents regarding their children going to school or another room. We work to the child's needs and take it at their pace.

---

*How will you and I know how my child is doing and how will you help me to support my child's learning?*

We have parents evening and progress summaries which show your child's progress and development whilst at nursery.
