My child has SEND. I would like to look around. What do I need to do?

Call or email to arrange a suitable time to visit.

How will my child and I be made to feel welcome and how will you get ready for my child coming?

All visitors are made to feel welcome, I ask for basic information at the initial communication so that I can be prepared for your visit.

How accessible are your premises?

There is a large step at the front of my property so unfortunately I do not have wheelchair access.

How will you keep my child safe?

I have clear safeguarding policies and risk assessments. These will be updated to take into account of any specific needs and requirements of your child.

How will you communicate with me what my child has done, enjoyed and learnt?

I use a daily diary and an online learning journal system.

How do you work with other professionals?

I work with other childcare settings, health visitors, gp and other medical services that your child might be accessing.

What training have you/your staff had in SEND?

I have had SEND training from my teacher training degree, who

How will you adapt play opportunities for my child?

The range of play opportunities will be tailored to each individual child. Suitable toys and resources will be available, trips out and the use of the local sensory room are available.

How will you get ready for my child going to his/her new school?

The transition process will be managed taking into account your child's individual needs, they will be given a transition report and have transition sessions with the new setting/ staff.

How will you and I know how my child is doing and how will you help me to support my child's learning?

Your child's learning and development will be tracked through my online system. I will also support you with your child's next steps and give you ideas of ways you can work on these at home.
