

The Local Offer

Name of Setting: Sarah-Fay Michelle Truswell

Telephone: 07823 777712

Email: sarahfaytruswell@yahoo.co.uk

Name of person to contact: Sarah Truswell

My child has SEND. I would like to look around. What do I need to do?

Call me on 07823777712 evenings and weekends are usually easier to talk or email me on Sarahfaytruswell@yahoo.co.uk I can answer any questions on the phone or in person when you visit.

How will my child and I be made to feel welcome and how will you get ready for my child coming?

I welcome the whole family to come visit me, look around my setting and ask any questions.

How accessible are your premises?

The front door has 2 small steps up to it, the back door only has a small lip of the door frame. The garden is up a slope. The toilet and bathroom is downstairs. Go out most days to toddler groups etc We take children to school and collect them on foot and by car.

How will you keep my child safe?

Keeping every child safe is my main priority. We will talk about each individual child's needs and have a set plan before they start. I risk assess all aspects of my home and all outings we take.

How will you communicate with me what my child has done, enjoyed and learnt?

I use a daily diary for every preschool age child but i can extend this to older children if needed. I send lots of pictures of activities we do here and out and about. We will also have a quick chat at collection each day.

How do you work with other professionals?

I can relay information to preschool/school or we can use a communication book some can all add things to it.

What training have you/your staff had in SEND?

How will you adapt play opportunities for my child?

Depending on the child's needs that would have to be tailored to each child.

How will you get ready for my child going to his/her new school?

I would work closely with parents and new place to make a smooth transition.

How will you and I know how my child is doing and how will you help me to support my child's learning?

If under 5 i will make initial observations and use these for starting points and set out activities to help your child learn. I keep a learning journey for under 5 year olds and this will be sent home each month.
