Important Notice to all Employers: McCloud/Sargeant Judgement Update

Further to Employer Bulletin Issue 12, dated 1st September 2020, I wanted to provide an update on the current position regarding the McCloud exercise.

At the time of writing, I have not yet been provided with any further information regarding the outcome of the proposed remedy following the public consultation that ended on 8th October 2020. However, I can provide you with an updated timeline for the provision of the data to the Pensions Section.

For the avoidance of doubt, please note that you will need to provide details of any hours changes for your scheme members, both active and leavers who were in the LGPS during the periods stated below, including any full-time members who were previously part time, or vice versa.

The timeline for the submission of the data in respect of any hours changes and service breaks is:

Hours changes/Service Breaks between	Deadline
1 st April 2014 and 31 st March 2020	31 st March 2021
1 st April 2020 and 31 st March 2021	30 th June 2021
1 st April 2021 and 31 st March 2022	30 th June 2022

Templates were previously provided with Employer Bulletin Issue 12 and are still available on the website.

Data must be sent securely through Egress to pensionsdata@leics.gov.uk
