

1/
E. MAIL [REDACTED]

HI.

I AM OBJECTING AS THERE IS A FLAW IN DESIGN.
ON PAGES MASTER PLAN.

THE FLAW MISSING. AS FOR RYHAYLAGE SITE / POST OFFICE
SORTING / TESCO STORES AND CROSSFIELD DRIVE.

MMOR. SINCE SEP/OCT 2018 I RAISED THIS ISSUE. ON
NUMEROUS OCCASIONS. I HAVE NOT HAD A REPLY OR EXPLANATION
WHY IT IS MISSING.

MMOR. IS SUPPOSE TO REMOVE TRAFFIC FROM THE TOWN
CENTRE. THIS MISSING PIECE DOES NOT.

WITH EXTRA HOUSES PLAN FOR SOUTH OF THE TOWN.
THERE TWO ROUTES TO GET TO HOSPITAL (DEECL) TESCO'S
STORES / SORTING OFFICE.

1/ A606 BURTON RD. - MILL STR - REGENT STR - SAXBY RD - THORPE
RD. - DEECL FOR HOSPITAL ETC.

2/ A607 WELC RD - WILTON RD - NORMAN WAY - THORPE RD - DEECL
THIS TRAFFIC LIGHTS IS 3 PHASE & ON SCOOP SYSTEM.

1/ THORPE RD & THORPE END. WITH TRAFFIC WAITING TO TURN INTO
NORMANWAY VIEW FROM THORPE END CURVATURE OF RD. HAS RESULTED
IN R.T.A'S TRAFFIC FROM THORPE END TO SAXBY RD,

2/ NORMAN WAY 3/ SAXBY RD. SHORTER CYCLE. WHICH
CAUSES TRAFFIC IN REGENT STR TO BACK UP.

I HAVE SUBMITTED PLAN THAT THIS JCN IS 4 PHASE WITH ADDITIONAL
LIGHTS LAY OUT SAXBY RD.

ROAD SAFETY.

THORPE ARNOLD. HAS LAG LANE X'S A607. O/S CH. THEN SHARP
RIGHT - DOWN HILL - TOWARDS TOWN IN WOPPA. ZONE.

TRAFFIC LIGHTS H.S.V.S FROM NORMANWAY MOUNT PAVEMENT TO
TURN INTO THORPE RD. SAME FROM SAXBY ROAD.

SOLUTION

2/ TO REMOVE THE FLAW AND MY OBJECTION
IS. TO ADD TO MASTER PLAN SECTION 5 AND ASFORBY HAVLAGE SITE / P.O. SORTING OFFICE / TESCO ^{SHOW} ~~STORES~~ ^{STORES}
AND CROSSFIELD DR. AND USE C.P.O IF NEEDED.
TO LINK CROSSFIELD DR. TO ISLAND 5 A FIELD AWAY.
THIS REMOVE HGV'S THROUGH THORPE ARNOUD. AND
HGV'S TURNING INTO THORPE RD. ALSO REDUCE CONGESTION
AT THE LIGHTS.

THIS ALSO MADE EASIER. PEOPLE LIVING IN THE SOUTH
TO GET TO HOSPITAL / TESCO STORES E.T.C. WITHOUT VENTURE
INTO TOWN CENTRE. I RAISE THIS WITH OUR. M.P.

MR. MAURICE. P. BELL
